

DOWNTOWN HISTORIC DISTRICT

HISTORIC DESIGN REVIEW REQUIRED prior to any exterior modifications of structures within the area above. Exterior modifications include anything that changes the appearance of the structure, including, but not limited to: building modifications, façade changes, and painting of the structure. Additionally, all new and modified signage and window signage requires historic design review.

Historic Design Review applications may be found on the City of Livingston website (http://www.livingstonmontana.org/Documents/Historic%20Preservation/DESIGN_REVIEW_APPLICATION%205.pdf) or may be picked up from the City Building and Planning Department office located at 330 Bennett Street. All applications must be submitted to the Building and Planning Department, final decisions on all applications are made by the City Historic Preservation Commission (HPC). The HPC meets each **2nd Thursday** of the month at 3:30 pm. Applications must be received a minimum of 10 days prior to the HPC meeting they are to be heard at. HPC meetings are noticed and open to the public.

Any questions can be directed to the City of Livingston Building and Planning department at (406)222-4903 or planning@livingstonmontana.org.
